A fonic Free from Alcohol

Are you pale, weak, easily tired, and do you lack nerve power? Ask your doctor if Ayer's Sarsaparilla would not be good for you. He knows, and will advise you wisely. Not a drop of alcohol in this medicine. It puts red corpuscles into the blood, gives steady, even power to the nerves; and all without stimulation. Make no mistake. Take only those medicines the best doctors endorse. Ask your own doctor.
